#### Consumer Rated Condition:

**Poor**

"Poor" condition means that the vehicle has severe mechanical and/or cosmetic defects and may be in questionable running condition. The vehicle may have problems that cannot be readily fixed such as a damaged frame or a rusted-through body. A vehicle with a branded title (salvage, flood, etc.) or unsubstantiated mileage should be considered "poor" because of potential problems and should be independently appraised to determine its value.

#### Private Party Value

**(no value)**

Kelley Blue Book does not attempt to report a value on a "poor" vehicle because the value of cars in this category varies greatly.

Private Party value represents what you might expect to pay for a used car when purchasing from a private party. It may also represent the value you might expect to receive when selling your own used car to another private party.
